## Frontend Developer

Dhaka, Bangladesh | +880 18890-13446 | [GitHub](#) | [dev.nasiruddin@gmail.com](mailto:dev.nasiruddin@gmail.com)

### Professional Summary

Passionate Frontend Developer with strong knowledge of HTML, CSS, JavaScript, and React.js. Experienced in building responsive and user-friendly web applications using modern frontend tools like Tailwind CSS and Bootstrap. Focused on improving development skills and creating real-world projects.

### Technical Skills

- JavaScript (ES6+), React.js
- HTML5, CSS3
- Tailwind CSS, Bootstrap
- Responsive Web Design
- Git & GitHub
- Figma
- MS Word, MS Excel

### Projects

#### React E-commerce Website – [Live-link](#)

Developed a responsive e-commerce frontend using React.js and Tailwind CSS. Implemented product layout and modern UI design optimized for desktop and mobile devices.

#### OutStock E-commerce – [Live-link](#)

OutStock is a fully responsive modern e-commerce web application built with **React.js** and **Tailwind CSS**. The project focuses on delivering a smooth and user-friendly online shopping experience with a clean UI and optimized performance.

#### Digital-Marketing – [Live Link](#)

Built a digital marketing website for web and mobile platforms.

#### Portfolio – [Live-link](#)

Created a personal portfolio template website for personal use.

#### To-Do – [Live Link](#)

Built a To-Do web app for daily task tracking.

### Experience

#### A Construction Foreman 2 years – 2024 - 2025

I have two years of experience as a Construction Foreman, where I led a team of 10 people on-site. I originally started working in construction after my father passed away a few years ago; I needed to support my family right after finishing my HSC.

### Education

Higher Secondary Certificate (HSC), 2021

Sonargaon University
